

Volunteer Position: Trainer

This is an elected position. Candidates must apply and be evaluated to be considered to be a HKSR&R trainer.

Schedule: Trainers are needed on regular weekly or bi-weekly rotations or as sub in trainers for short notice fill-ins.

Commitment: 1 yr minimum no maximum

Meets: Hidden K Stables, Pfafftown, NC

Expectations and skills:

Trainers for HKSR&R must apply with a written CV of their previous riding history including riding discipline, years riding, trainers and/or stables, club memberships (i.e. Pony Club), and ratings. Upon review of a qualified applicant, a member of the committee will schedule a riding demo to assess the applicants riding style and ability to determine if a training position would be appropriate.

Members are also expected to be able and willing to support the organization through their time, effort and skills. Members may also be called upon to assist with various fund raising and educational activities as they are able including solicitation of goods and services and volunteer hours at scheduled events. Additionally trainers could be asked to perform ground work, longeing exercise, provide grooming and other care or show a HKSR&R horse.

It is the expectation of the HKSR&R Board of Directors that Trainers will follow the direction of the training committee and its co-chair(s). Trainers should have a strong work ethic, be an able, balanced and proven strong rider, possess good horse management and horse handling skills, enjoy working in and around the barn as well as being dependable, self motivated and reliable.

HKS Rescue and Rehab Center is dedicated and committed to providing rescue service to horses that are found to be in need of healthcare, nutrition, and rehabilitation. HKS Rescue and Rehab is also committed to educating the public, especially the youth, about the responsibilities of horse management and care. HKSR&R strongly believes that education will prevent negligence and decrease the need for rescue. We want to change the lives and welfare of horses through education and rehabilitation.
